Remains: why Norwegian and not the two other Scandinavian languages? Bislama Wikipedia for example at present has only a total of 112 pages, but German and Dutch have the same.

Scandinavia on a Rick Steves tour! You'll experience Norway, Sweden, and Denmark to see the fjords, Stockholm, Copenhagen, Oslo, Bergen and. Danish/Swedish/Norwegian/Dutch: mutual intelligibility. 14 Aug 2008. The Bislama Wikipedia for example at present has only a total of 112 pages. But German and Dutch have the same thing, right? They're not all like that, but enough that it makes learning them kind of fun. Lastly, the question remains: why Norwegian and not the two other Scandinavian languages?
